

Higher Education

Since 1999, Adept Recruitment has earned a reputation of excellence in the Higher Education sector based on providing a friendly, honest and personal service to its clients whilst delivering consistently high quality candidates.

We successfully operate from Central London offices providing all levels of staff to a range of prestigious Higher Education establishments throughout London and the Home Counties.

Attention to detail

We work in partnership with our clients and offer a consultative approach with innovative and intelligent recruitment solutions. We have developed long term, trusted relationships and built considerable knowledge of the market and cultures that exist across the Higher Education sector.

You can rest assured that our consultants have met and fully interviewed all of their candidates and that each one has been briefed on each role before their CV's are submitted to you.

We source our candidates from our vast network which continues to grow through the constant number of referrals and recommendations we receive plus various advertising job boards, social media sites and networking events.

Our attention to detail means we save you time ensuring a quick, efficient and a cost effective recruitment solution.

Going the extra mile

In addition to general recruitment we can also report on market conditions to assist you in your recruitment strategies. We also test candidates using a leading recruitment testing software to ensure that the staff we provide have the skillset you require.

We have always been a full member of the REC as we strive for excellence across our sector and have achieved ISO:9001 accreditation which assures our clients that all our internal processes are rigorously inspected and improved upon and also fully compliant with ongoing legislation.

Please do not hesitate to contact us with any questions you may have as our approachable, friendly consultants will be more than happy to help.
